

## IEEF's General Rules for joining Foundation's Platform

### I. IEEF's mission

**Indo-European Education Foundation (IEEF)** as research center is a non-profit organization acting under Ministry of Higher Education, Government of Poland. Working with a vision to create a bridge between India, Poland and the European Union IEEF is committed to establish a bridge between Poland, India and EU based on interlinked model of business cooperation between academia and industries with following goals:

- ✓ To identify and strengthen university's role in the building new relations between India and Poland;
- ✓ To be a unique institutional Platform between Poland, India and the European Union to foster civil society dialogue and cooperation between individuals, enterprises, scholars, research institutions, universities, GOs and NGOs;
- ✓ To foster opportunities for Polish, Indian and other European universities for collaborative research & publications;
- ✓ To support and advice to the Polish Universities (public & private) regarding new cooperation & research with Indian Universities;
- ✓ To promote scientific development to meet the challenges and expectations of research scholars, students and business elites;
- ✓ To encourage Indian students to pursue higher education in Poland (EU) at all level of studies- Bachelor, Master and PhDs, and provide support to the member/ Partner Polish Universities for recruitment of highly qualified students from Indian region (India, Nepal, Sri Lanka, Bangladesh, Maldives) through our newly launched program "CET-India Test";
- ✓ To co-operate with local authorities, local and national government, universities, organizations, social & cultural organizations, individuals and legal entities in the country and abroad;
- ✓ To support for the development and promotion of culture, arts and heritage for Poland in India, and India in Poland/Europe;
- ✓ To create a provision of public awareness of the contemporary Indo-Polish (Indian and Polish) art collections;
- ✓ To provide research support to the EU and Polish institutions to get foreign students through various means to their organizations.

### II. General Rules to join Foundation are as follows (passed by the board through resolutions):
