

IEEF's General Rules for joining Foundation's Platform

I. Indo-European Education Foundation (IEEF)

Indo-European Education Foundation (IEEF) - an exclusive NGO and Research Center is acting under the Ministry of Higher Education, Government of Poland and working under Polish and the European Union regulations.

Since 2013, **IEEF** provides a real platform for individuals, students, scholars, universities, institutes, organisations, industries, GOs & NGOs- where the stimulation of ideas, vision and plans for alternatives can be developed.

"Indo-European Education Foundation (IEEF) has been identified around the globe not only for providing best practices of educating and training students, faculty members and educational institutions but also for uplifting struggling educational institutions and newly launched universities, and converting them into a brand.

It's IEEF, who has initiated an academia-industry interlinked model of business cooperation for Poland and India which has increased the well qualified Indian students at Polish universities up to 9000 in 2020, compared to 2014 when total Indian students studying in Poland were 227. We lead various research projects, and support business needs in order to fulfil today's requirements of academia and industries. Our programs, workshops, training and lectures conducted by our associates are top ranked in Poland, India, Ukraine, Germany and many other European and non-European countries. With 9+ years of international experience in teaching, training, consulting, and research we are not only acknowledged by Polish and Indians by extending our support but as a global platform for the institution building projects. We are working as one of the best research centres in Central Eastern Europe, with expansion of other four branch offices abroad (including Poland):

- *Indo-European Education Foundation branch in Nysa at University of Applied Sciences in Nysa (Państwowa Wyższa Szkoła Zawodowa w Nysie), Poland*
- *Indo-European Centre (representation of Indo-European Education Foundation, Warsaw, Poland) at Ternopil Ivan Puluj National Technical University (TNTU), Ternopil, Ukraine*
- *Indo-European Education Foundation Branch at Patna University, Patna, India*
- *Centre for Indo-European Studies at Chanakya National Law University, Patna, India*

Awarded

- **Brand Maker of the year 2022** by HUMCEN AWARDS Honouring Human Centered Innovations, India.
- **Global Achievers' Award 2020-21** for "Excellence in Education", in recognition of 'outstanding professional achievement & Contribution in Nation Building' by Indian Achievers' Forum, New Delhi, India; and presented by H. E. Mr. Tsewang Namgyal, Ambassador, Embassy of India in Warsaw, Poland (April 2021).
- The 2021 Global Choice Awards for "Outstanding & Remarkable Contribution to Global Education" by Xel Research, New Delhi, India (August 2021).

Contd...2

IEEF's goals:

- **To identify and strengthen university's role** in the building new relations between India, Poland and the European Union, and to support and advice the Indian Universities (public & private) regarding new cooperation & research possibilities with EU projects and expansion of their strategies for the European continent (EU cooperation);
- **To be a unique institutional Platform** between India, Poland and the European Union to foster civil society dialogue and cooperation between individuals, enterprises, scholars, students, research institutions, universities, GO & NGOs;
- **To foster opportunities** for Indian, Polish and other European universities for collaborative joint research & publications, and help them to be recognise as one of the leading institutions in their respective areas of specialisation, etc.

II. General Rules to join Foundation are as follows (passed by the board through resolutions):

- Any legal entity or an individual institution from Poland, India or any part of the world may join IEEF's platform by sending a "Letter of Intent" as an expression to join IEEF for their identified areas of cooperation.
- MOU (memorandum of understanding) can be signed between the interested organisation and IEEF, only after the approval of received "Letter of Intent";
- MOU will be signed with specific area of cooperation- academic, non-academic, Industrial cooperation for the European (EU) and Non-EU projects;
- MOU will be treated as declaration of future cooperation without any financial obligations for either parties in terms of execution of the projects mentioned under MOU;
- MOU also means that Partner university is joining Foundation Platform by supporting IEEF's statutory goals by supporting through **donations**;
- By joining IEEF's platform partner university is obliged to take further initiative steps to launch the projects as discussed and agreed in the signed MOU;
- Each and every partner university or, organisation is obliged to pay 1000 Euro (One thousand Euro/year) on yearly basis as a donation for the support of IEEF's statutory Goals and MOU execution plans as a member of the Foundation;
- The fee for joining Foundation's platform will be subject of renewal for every academic year. The fee for joining IEEF's platform should be transferred to the IEEF's account before September 15th of every year;
- Details of joint activities regarding expressed area of cooperation such as academic, non-academic, and industrial cooperation will be set out in separate Appendix for each specified project.
