

SHORT CURRICULUM VITAE

Dr. Pradeep Kumar

Dr. Pradeep Kumar is featured among top 50 Indian Achievers' across the globe by Indian Achievers' World Magazine 2021 in recognition of outstanding professional achievement & Contribution in Nation Building

He is an institution builder, whose leadership fundamentals focus around implementing academic quality and transforming them into a brand organisation. Under his transformational leadership, institutions have increased their ranking at national and international levels such as NAAC A+, A++, A+++ Ranking in India, and PKA, GAC, ANECA, ARACIS, NAB in many European Countries. By recognising his outstanding achievements and dedication in his respective fields the Global Council for the Promotion of International Trade (GCPIT) United Kingdom has awarded him by *Global Emerging Leaders Award 2022*.

At the same time his courses, programs, and lectures are top-ranked in Poland, India, Germany, Czech Republic, Spain, Lithuania, Romania, Kosovo, Montenegro, and many other EU and non-EU countries. He has deepened the meaning of collaboration with local and international levels focused on research and innovations with best learning outcomes.

Dr. Pradeep Kumar is the one who has initiated an academia-industry interlinked model of business cooperation for Poland and India, which has increased the well qualified Indian students at Polish universities up to 9000 in 2020 (before pandemic), compared to 2014, when the total Indian students studying in Poland were 227, that helped many public and private universities in Poland (EU and non-EU countries) for their survival and enhancement for the quality education. In recognition of his endless hours that he has spent on his journey so far and the professionalism that he has portrayed for creating brands has been acknowledged by *HumCen Awards 2022*, honouring him as *Brand Maker of the Year 2022*. He is not only supporting the universities and organisations around the globe but also educating, training and uplifting the most vulnerable, backwards and poorest from the poor. His assistance and training are not limited to well recognised brands but he is uplifting the struggling and converting them into a brand. His research methodologies and training tools have been efficiently applied to Poland, India, and many other EU member states.

Dr. Kumar is a keen researcher and academician in the area of **Foreign Direct Investment** with practices of *International Businesses*, and a strong believer of *socio-economic development through knowledge & educational development*. With 16+ years of postgraduate and undergraduate teaching experience in an international environment where he leads various research projects and supports business needs in order to fulfil today's requirements of academia and industries.

Dr. Pradeep Kumar has obtained his Doctor degree in Economics (2015), and possesses double Master degrees, MA in International Relations (2010), and MBA-Executive (2012). He graduated in Law (BA., LL.B., 5 years Law specialised in corporate law) in 2006.

He is of Indian origin a **Polish Citizen (European Union)**, born on 06th July 1981, in India, and since 2008 living in Warsaw, Poland. Dr. Kumar is founder, President & CEO of Indo-European Education Foundation, Poland; an Assistant Professor at the Faculty of Modern Languages, University of Applied Sciences in Nysa, Poland; and an External Expert for NAWA (Polish National Agency for Academic Exchange, Govt. of Poland).

Activities as President, Indo-European Education Foundation

Analytical and conceptual contributions to all components for the development of India, Poland and EU relations. Closely working with ‘Embassy of India in Warsaw’ Poland, Ministry of Science and Higher Education Govt. of Poland as well as Ministries from India to understand the needs of two countries and establish political dialogues towards development of trade and scientific cooperation. Supporting many Polish, Indian and European universities and training them to be the part of internationalisation of higher education. Running projects ‘academia industry interlinked model of business cooperation’ where academia and industries can get benefits from each-others by providing quality of education.

Projects (National and International)

- *Indo-Polish academic exchange project*: Dr. Kumar has initiated a cooperation between Poland and India by establishing the Indo-European Centre at Vistula University, Warsaw, Poland. Project was accepted and funded by Vistula University, Warsaw, Poland. It was an international platform initiating academic cooperation with Vistula University and Indian Universities.
- *Business Risk in Changing Dynamics of Global Village (BRCDGV)*: Initiated an international project BRCDGV as an international conference platform launched in 2017. The objective of this project is to provide the most effective & efficient platform for business development and academic collaborations with solutions for sustainable growth. By leveraging the talents and know-how of its people, combined with industry leading technology, providing support to the

universities throughout Poland, India and Europe, enhancing academia-industry satisfaction, improving efficiencies, ensuring duties & responsibilities for companies and academic institutions, and improve their quality business models by providing an international platform of BRCDGV.

- *Destination India*: The objective of this project was to improve the soft power of India with a focus on the neighbouring countries and use it as tool in diplomacy; boost the number of in-bound international students in India; double India's market of global education, exports from less than 1 percent to 2 percent; increase in contribution of international students in the form of direct spends, indirect spends, spill-over effects; improve overall quality of higher education; increases in global ranking of India as an educational destination.
- *Execution of Village projects under Panchayati Raj*: By accessing the policies and plans executed by the government of Bihar for the Gram Panchayat; conduct workshops for the administrative officers as well as Panchayat Council's members; deliver a series of lectures connected with policies and executions.
- *CET-India Test*: CET-India is the abbreviation for Common Entrance Test - India. "CET-India Test" to check eligibility for International students before they get admitted to the IIEF's partner universities under bachelor, master and doctoral programs. The test is compulsory for all students planning to join IIEF's Partner universities in Poland, EU and non-EU countries for higher education abroad coming from India, Nepal, SriLanka, Bangladesh, Maldives, Bhutan, and UAE.
